

Plymouth Elementary
WEEK IN REVIEW
(Just a few highlights)
October 5- 9

(During NECAP testing, our Highlights may be slightly abbreviated!)

Monday

- In grades 5 & 6 Math class, Logan stated " Lots & lots of Math!"_The students are working on fractions and tricks on how to add, subtract and multiply fractions.
- Grades 3 & 4 added rules about commas to "SIDE B" of their writing journals
- Kindergarten watched the video "Be Cool About Fire Safety" to kick off Fire Safety Week!

Tuesday

- In P.E., Eric successfully modeled the obstacle course for the students.
- All students continue to work on animals in the Rainforest layers.

Wednesday

- The students in grades 3, 4, 5 & 6 learned a new strategy for reading and analyzing Nonfiction. The abbreviation is R.A.N. and it is F.U.N!
- Kindergarteners listened to the book Kites Fly High then made kites and flew them on the playground with Mrs. B.!

Thursday

From Mrs. Coldwell:

- Fun & Fitness: Students have been playing and learning fun games and activities to foster Physical Fitness. These games and activities can be played on the playground and at home. Please check out the calendar in your Friday Folder for fun, individual and family activities to do at home!

Friday

- Thank you to our local Firefighters who came in today for Fire Prevention Week!

Reminders:

- *We successfully began NECAP testing this week and will continue until October 20. Thank you for your support and encouragement.*
- *Picture Day is Tuesday October 13- see letter in Friday Folders!*

- *SAVE THE DATE: October 30th- the students are planning a Halloween Carnival to assist their fundraising efforts! More details will follow... ☺*
