

Plymouth Elementary School

WEEK IN REVIEW

(Just a few highlights)

April 26-30

PES's answer to "What did you do in school today?"

Monday

Welcome! to our new student, Erik! Erik is in Ms. Sara's fifth grade class.

Tuesday

We started working on our Plymouth School Projects to share at Last Day Reflection/Celebration- after Graduation. Please ask your child about their project. They may need some materials and resources from home. Thank you!

Wednesday

We "set" our eggs today. Hopefully we will be observing the hatching of chicks in 3 weeks! Come in and check out the neat incubator in Mrs. Davis' room.

Thursday

The fifth & sixth graders will be conducting interviews of some people who have been connected to Plymouth Elementary School in the past. They began to formulate their questions today.

The author of the your monthly calendar and Week in Review (your illustrious principal) forgot to mention recent Birthdays! I am VERY sorry! - *Mrs. H*
