

Plymouth Elementary School
WEEK IN REVIEW
(Just a few highlights)
May 10-14

PES's answer to "What did you do in school today?"

- The biggest news of the week, which we are sure everyone knows about, is- NINETEEN chicks hatched this week! They are healthy, noisy and very messy! Unfortunately (?), we have to bring them back to UVM on Tuesday.
- Melissa Lynds was one of our guest speakers this week. Logan interviewed her on her years here at Plymouth Elementary.
- We have a response from Senator Leahy. While he is unable to attend our Graduation/Reflection Celebration, he does not want the closing of our school to go unnoticed. His office is working with us to set up a Web-Chat the week of June 7. For a half hour we will be able to talk with him via computer! Cool!
- We have completed the grade 4 Science NECAPs. Good work, fourth graders!
- Ms. Sara & the sixth grade boys checked in by e-mail a couple of times this week. They were having a great time at Nature's Classroom in Maine, but wanted pictures sent of the chicks. We are sorry they missed the hatching!
- Thanks to Mrs. Josselyn for filling in for Ms. Sara this week. She worked tirelessly with students on their end-of year projects!

Reminders:

- May 26- Field Trip to Ludlow to see Author, Jessie Haas. Look for permission slips in take-home folder- return slip to school by Monday, May 24, please. We will be switching music to the afternoon that day so that Mr. Branton has time to rehearse with the kids in the afternoon.
- May 26-Spring Concert, 6:00 Town Hall- please have students arrive by 5:45.
- May 28- Local Author Willow Bascom will visit! Included in your take-home folder is an order form for her book. She will have books available and you may purchase one from her to sign and take home on Friday! Our special school price is \$15.96. If you send forms & checks in early, we will save for Friday. She has asked for permission to tape the presentation for LPC TV. Based on the permission slips sent home in the beginning of the school year I agreed to this plan. Please let us know if you have any concerns about your child being a part of this taping, which may be aired on local access TV.
- June 2 & 3 - Whole school trip to NEW YORK CITY!! Detailed info will be sent home next week! Most important- plan on being at school by 6:30 a.m. on June 2!!
- June 17-Last Day of School, Graduation & Reflection/Celebration of Plymouth School 6:30, Union Church & Town Hall.
